- Kids and college students were enriched

RESULTS OVER THE YEARS

Geria Watson, 21 year old granddaughter of volunteer Minnie Watson, will be a Senior at Olivette Nazarene University in Kankakee, IL. She will graduate in May 2021 with a BS in Exercise Science and a BA in Psychology. Geria has been a volunteer

and an employee at Good Samaritan over the past 10 years. She is the first college student with ties to Good Samaritan. She has received a \$1,000 grant for the past three years to help with the cost of her books. We are very proud of her!

In 2020, we had three High School Graduates (Jamarkus Blake, Ta'Briona Moore, Shawntae Brown) and two Junior High Graduates (Jamarian Blake, Jamar Blake). We cannot wait to see the path the Lord has for them!

2021 & BEYOND

We are looking forward to 2021 and beyond! One of our goals is to buy a Food Truck to further support our Meal Delivery Outreach.

We will continue in our Gospel Sharing Events:

- Saturday church
- Wednesday church and resource give-away
- Vacation Bible School
- Youth group
- Life Skills at McKendree College
